**Subject:** Don't Miss Out: Expert Panel Discusses Research Methods for Improving Children's Health

A GW and ICF presentation of research methods around improving children's health

[Click here if you are having trouble viewing this message.](#)

You're invited to attend a discussion on research methods around improving children's health, presented by ICF International and George Washington University on April 28, 2016 at 11:00 am (ET).

Dr. Lynn Goldman will moderate the panel of experts consisting of: Dr. Linda Birnbaum, Dr. Ami Zota, Dr. Rebecca Clifton, and Dr. Jonathan Cohen. The panel will focus the discussion on areas of emerging importance for children's health such as respiratory, metabolic, birth, and neurodevelopment outcomes of early life exposures.

For more information and to register, click on 'Register'.

**TIME:** 11:00 AM - 1:00 PM (*Eastern Time*)  
**DATE:** April 28, 2016  
**LOCATION:** Jack Morton Auditorium  
George Washington University  
Washington D.C.

ICF International (NASDAQ:ICFI) provides professional services and technology solutions that deliver beneficial impact in areas critical to the world's future.
